**AMPLIFYING THE LANGUAGE OF THE
DISCIPLINES**

#LES2017

The Summit is a professional development day for educators wanting to improve their ability to serve Latino students in their schools and districts. The Summit will feature breakout sessions that will focus on the language of mathematics, science, language arts and social studies which ELLs will be expected to interpret and produce. Additional breakouts will include legal and psychological issues facing children and families related to immigration in our unpredictable times.
